

I benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that is not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge you to reject the NAB's petition 04-160 and request that you support XM's ability to provide the kind of programming that you demand and deserve.

Sincerely,

Thomas V. Abercrombie
